## A personal *touch*

Paul Alder, a pioneer in the artificial green wall industry, brings over 25 years of experience in the landscape and horticultural sectors. With 25 national awards and 8 Chelsea Flower Show medals to his name, Paul has built a team that continues to lead the way in innovation.

*"As a multi-award-winning horticulturist, he has designed stunning gardens for both commercial and residential projects. Recognizing the need for a flexible, low-maintenance solution, Paul and his team developed a system that captures the beauty of vertical garden walls without requiring natural light or ongoing care, transforming the future of green spaces."*
